FOR SAFER MOBILITY

The new Byelaw on Pedestrian and Vehicle Traffic fosters safer mobility and mutual respect for everyone travelling in Barcelona's public spaces.

The changes address the following priorities:

- Prioritising pedestrians in the use of pavements as a safe space.
- Regulating the use of personal mobility vehicles (PMVs), such as standard and one-wheel electric scooters, on the public highway.
- Ensuring respect for others when cycling and travelling by scooter, motorcycle, public transport or car.

ELECTRIC SCOOTERS

AND OTHER PERSONAL MOBILITY VEHICLES (PMV)

Riding is allowed in bike lanes and on streets with speed limits of 30 km/h or lower.

Carrying passengers is forbidden.

€100 fine

Riding on the pavement is forbidden.

€500 fine
